

**PUBLICATION OF EARNINGS
2019/20**

All GP practices are required to declare the mean earnings (e.g. average) for GP's working to deliver NHS services to patients at each practice.

The average pay for GP's working at Oaks Place Surgery in the last financial year before tax and National Insurance was £60,648. This is for 1 full time GP, and 1 locum GP who worked in the practice for more than 6 months.
